Turn ordinary salt into chlorine right in your pool

Electrolytic chlorine generation (or salt chlorine generation) with IntelliChlor[®] Salt Chlorinator is the easiest, most effective, and convenient way to keep your pool water sparkling clean and sanitized. The IntelliChlor[®] Salt Chlorinator uses table salt to produce all the chlorine your pool needs, right in your pool – safely, effectively, and automatically.

An Eco Select[™] Choice: Using only natural table salt, the IntelliChlor[®] Salt Chlorinator automatic chlorine generator creates pure chlorine in the pool and eliminates the need to buy, store, and add harsh chlorine products manually. In effect, fewer resources are used in the production, packaging, and transportation of these chemical compounds.

Features

Full diagnostic capabilities, including cell life tracking that communicates remaining hours of cell life in real-time. Captures all performance data daily (production settings, hours of operation, chlorine output, cell cleaning cycles, salt readings, and water temperature averages)

Push-button operation and easy-to-view displays enable fast checking of salt levels, cell cleanliness, sanitizer output, and water flow

Automatic shut-off feature protects the unit and prolongs cell life under low water temperature conditions

On-time cycling prevents calcium and scale build-up to maximize cell life

Ability to communicate with IntelliTouch[®], EasyTouch[®], and SunTouch[®] Automation Systems

Certified to UL 1081 standard for safety

Product Specifications

Product	Model Description	Carton Qty	Carton Wt. (Lbs.)
520554	IntelliChlor IC20 Cell (up to 20000 gallons)	1	7
520555	IntelliChlor IC40 Cell (up to 40000 gallons)	1	14
521105	IntelliChlor IC60P Cell (US Version)	1	16
520556	IntelliChlor Power Center	1	13
520888	IntelliChlor AG 15	1	9
521150	EasyTouch 8 Pool/Spa with IC60P	1	52

Accessories

Product Description	Approx. Ship. Weight (lbs.)
520588 IntelliChlor pass-through cell for winter or start-up	1
520594 IntelliChlor diagnostic wand	1
520595 IntelliChlor replacement unions (contains 2 o-rings, 2 couplers, 2 nuts)	1
520670 IntelliChlor Acid Washing Kit (includes closed-end union cap, O-ring, and coupling nut)	1
520734 15 foot extension power cord	1
520735 IntelliChlor Flow Switch replacement kit	1
